

## **Alameda Creek Watershed Council**

### **January 28, 2010 Meeting Agenda**

#### **Pre-meeting site visits to two locations along Old Alameda Creek** **Rain cancels**

**12:30-1:15** Old Alameda Creek at Alameda Creek Flood Control Channel- William Cann Park, Marsh Hawk Rd. at Dowe Ave. Union City. View and discuss Old Alameda Creek channel/riparian corridor in regard to assessment for fisheries potential (Ralph Johnson); see creekside plantings.

- Meet at Dowe Ave. at Marsh Hawk. Restrooms and picnic tables available; feel free to bring brown bag lunch. Drinks and snacks provided.

**1:30- 2:00** View Old Alameda Creek at Arroyo Park at Quarry Lakes Rd. Union City. Brief update on status of plans for East-West Connector crossing of Old Alameda Creek and potential on-site mitigation planting (Leslie Perry and Amy Evans).

- We'll caravan to this stop from Cann Park (they are about a mile apart, down Niles-Alvarado Rd.)

*For logistics questions the day of the tour, please call Amy Evans' cell phone (510) 366-7660*
